Chassis No: 320900760379

Mot Expiry: June 2013

Finished in special order Acacia Green with Olive Green upholstery, 'D163 TWF' has been in single family ownership from new. Benefiting from £4,500 worth of fettling by marque specialist Munich Legends within the last 3,500 miles, its impressive specification includes such optional extras as: a rear window blind, electric sliding sunroof, green tinted glass, rear seat head restraints, air conditioning and wider alloy wheels. Described by the vendor as being in "excellent" condition with regards to its bodywork, paintwork, interior trim, engine and five-speed manual gearbox, it has covered only 13,000 miles during the last 22 years. MOT'd into June, the BMW comes with 79,000 miles of main agent service history, Blaupunkt FM radio, period BT telephone, owners wallet/handbooks, toolkit, jack and the aforementioned Munich Legends invoice.

PLEASE NOTE: The 79,000 miles of service history includes the recent service by Munich Legends as mentioned in the catalogue description.
