**Mot Expiry:** Oct 2017

- Imported from Japan, UK registered in 2003
- 66,864 recorded miles & MOT'd until October 2017
- Offered with old MOT certificates, invoices, etc.

Previously resident in Okazaki, Japan, 'H8 SVX' was UK registered on 1st June 2003 and acquired by the vendor on 1st October 2015. Treated to a respray, alloy wheel refurbishment and fitment of a new Sony radio shortly thereafter, he has since had the radio and ashtray covers repainted. The standard specification power mirrors, climate control, electric sunroof, etc. are all said to be working, other than the central door locking and the rear wiper (though a replacement is included and may be fitted in time for the sale). Currently displaying 66,864 miles and having covered only 170 miles in the last few years, the vendor is offering it for sale complete with original vinyl mats, Parrot Kit, invoices, 12 MOT certificates, including one until 23rd October 2017, and a fresh service ready for the sale.
