Lot 7

1989 Bentley Eight

Registration No: C14 JMS

Chassis No: SCBZE00A5KCH26848

In the previous ownership for eleven years, 'C14 JMS' had seen little use of late due to his advancing years. Recently acquired by the vendor, it is only being offered for sale due to a change of plans and is said to be in 'good' condition regarding its bodywork, paintwork, transmission and interior whilst the engine requires 'servicing / recommissioning'. Offered with service history, invoices and original books / wallet, it surely represents an ideal opportunity to experience Bentley motoring.
