**1988 Cadillac Eldorado Coupe**

**Registration No:** E309KNO

**Chassis No:** IG6EL115XJU606318

The Eldorado was a luxury offering from Cadillac that ran from 1953 to 2002 and of which there were 10 generations. By 1988, the model was notably more compact than early iterations and powered by a transverse-mounted 4.5-litre V8 engine. 'E309 KNO' came to the UK in 2001 and was initially dry stored as part of a private collection. Finished in White and trimmed in Blue leather/velour it is said by the vendor to 'drive smoothly' and 'be in all-round excellent condition'.
