Engine: 'Very Good'

Electrical Equipment: 'Very Good'

Paintwork: 'Very Good'

Transmission: 'Very Good'

Interior Trim: 'Very Good'

Introduced in autumn 1966, the Ford Cortina MKII was styled in-house by Roy Haynes. Employing much the same floorpan as its predecessor complete with independent front suspension, a 'live' rear axle and disc / drum brakes, it nevertheless benefited from a wider track and revised steering geometry.
