- Total mileage is 57,975 with last major service at 57,000 miles in November 2016 when the car also received a new clutch
- Oil and filter changes were carried out in October 2018 with little use since
- Valid MOT until January 2021
- Finished in Grigio Touring Silver with Bordeaux leather interior, car remains in 'excellent condition throughout'
- Vendor has owned and enjoyed the car for three years but being sold to finance restoration work on one of the owners collection of vintage classic cars

Finished in Grigio Touring (silver) with Bordeaux leather interior, R1 MHJ is described as being in "very good" condition as regards its paintwork, bodywork, engine, electrics and interior. The black mohair hood is electrically operated, being raised and lowered by a switch located within the cabin. Factory fitted extras include heated seats, Skyhook suspension, satellite navigation, red painted callipers, CD autochanger, xenon headlamps and a wind stop. There is also a fitted spare wheel, manufacturer's tool kit and stainless-steel exhaust. Total mileage is c.57975 with a comprehensive service history throughout its life. The last major service was carried out at 57000 miles in November 2016 when the car also received a new clutch. Oil and filter changes were carried out in October 2018 with little use since. It has an MOT valid until January 2021 and comes with the original bill of sale, a fully stamped service book with accompanying receipts, Maserati owner's manuals, info centre guide, code cards, two keys and assorted old MOTs. The cherished registration is included in the sale.
