- Previously displayed in a Fiat dealer showroom
- In the current ownership for 14 years and said to have been in "regular, sensible" use for local journeys and club meeting
- Regularly serviced and maintained as necessary
- Work has included replacement brake cylinders, speedometer cable, cylinder head, exhaust valves, fan belt and starter motor activating cable
- Although not recently MOT'd, it is said to have had "regular professional checks"
- The running boards are said to be "sound" with the rubber purely cosmetic and easily replaced
- Offered for sale due to the vendor's advancing years, as he has other vehicles in his collection and cannot do justice to them all
