- Appears to be based on an AJS M8 model
- Raced by the late Leicester Grass Track racer Jack Brantom
- Bike was known as "Wally Lamont Replica"
- The bike was also referred to as "Killer 3" due to a local neighbour who used to lean on her garden wall as Jack rode by and shout "you'll get killed on that"!!
- Later raced by Jack's son Peter
- Featured in an article in Jan 1988 Classic Motorcycle magazine
- Not run for some time so will need some recommissioning or restoring
- Has potential to revert back to desirable pre-war model M8
