- Known to the vendor since the 1950s and bought by him in 1962 for £35!
- A NUT marque specialist for many years, the seller oversaw the bike's professional restoration during the 1980s to concours standard
- Used on many rallies and VMCC tours until 1995 and last run 5 years ago following a magneto overhaul
- Requires light recommissioning before use, current V5C and two RF60 logbooks
- Old photos of the current owner in the 1950's with the nut he later purchased
