

National Motorcycle Museum (195)

Wed, 9th Jun 2021

Estimate: £4000 - £6000 + Fees

1921 Haden - The New Comet

Registration No: OE 1115

Frame No: Not Stated

Engine No: 1284

CC: 198cc

MOT: Exempt

- Built by the current vendor's Great Grandfather Alfred Haden
- Haden Works produced motorcycles from 1908, mainly known as the "New Comet"
- One of just three examples known to be left
- Used on many VMCC events throughout its life with the family
- Not used for the last ten years
- Current V5C on file and some past MOT certificates
- A rare machine today of this marque
- A charming lightweight machine
