- This iconic 1987 Suzuki RG 500 is a true timewarp that has covered just 3,085 miles from new in the hands of one owner
- Purchased by the vendor on 1st March 1987 at which time he did not even have a motorcycle license and only ever ridden in the dry!
- Data tagged from new with the benefit of additional original fairing parts to save the ones on the machine
- Comes complete with Suzuki RG500 Owner's Manual (4-language), original V5 and later V5Cs (Red / Blue), Original Bill of Sale and Payment Receipt plus all Invoices for servicing and carburetor overflow pipe and valve rework, all original MOT Certificates, all SORNs [when required] and tax reminders
- Datatag paperwork: registration acknowledgment, membership record, purchase invoice plus drawing showing the location of all etchings and transponders
- Heron Suzuki G.B. Ltd. Assurance (Warranty and Servicing Booklet), Parts Books and drawings of gearbox and carburetors
- There is also a print of a painting featuring this machine and Kevin Schwantz's 1993 World Championship RGV by Bob Spendlove
- A bespoke Indoor Prestige Covers embroidered with RG500 logos on both sides on the upper fairing and the stylized Suzuki 'S' on top of the petrol tank
- This machine was subject to a factory recall with all necessary repairs being carried out by a Suzuki premier dealer (e.g. new 2nd, 6th gear, forks, uprated carburetors, etc).
- Please note that this machine has been professionally cleaned and detailed since the catalogue photographs were taken and is looking very smart.
