#### Original Ecurie Ecosse Racing Team Enamel Car Badge No Reserve

This 1951 Scotland's national racing team enamel badge was modified for rear fixing to a radiator grill. Unfortunately, the rear mounting bolt has broken off and at some stage, a small hole drilled through the front of the badge to accommodate a new chrome-headed bolt fixing - there is no other damage to the enamel, however, the shank has been removed to the lower edge. 8cm diameter.
