1998 Daimler Super V8

Registration No: R88 PDB

Chassis No: SAJDKANF3CR830788

Mot Expiry: Jan 2015

A veritable wolf in sheep's clothing, the Super V8 was a stately-looking limousine powered by a 370bhp supercharged version of Jaguar's 4.0-litre V8. This could whisk that luxurious blend of leather and wood to 60mph in c.5.3 seconds. The comprehensive specification included Mercedes-Benz 5G-Tronic automatic transmission and the company's sophisticated 'CATS' adaptive suspension system. This fine-looking example is finished in Dark Metallic Blue and trimmed in Magnolia-coloured hide. It has had just two owners from new and comes complete with MOT.
